

SPECIAL ASSEMBLY ON MOTHER'S DAY

A mother is the truest friend who counsels to dissipate the clouds of darkness, encourages us to face the adversities and brings back peace to our hearts. To cherish this bond and enable children understand the significance of the day, the school organised a special assembly presented by the students of class VIII B on 12th May 2023.

The students expressed their love and gratitude through a thought provoking skit , a touching poem and dance.

The principal, Dr Derek Richard Brendish highlighted the importance of a mother in one's life. The assembly concluded with the Inauguration of the Social Club and felicitation of the winners of the Inter-House PPT Competition and Fancy Dress Competition by the Principal.
