

'Say No to Plastic' campaign at Apex Public School .

The Eco Club of our School initiated ' Say No to Plastic' campaign from 4th July 2023 to 6th July 2023 to make the students aware of the adverse effects of polythene bags on the environment, human beings and animals. The students displayed slogans and informative messages emphasising on the need for collective endeavour to eradicate the use of polybags on the class notice boards . A documentary film on 'Say No to Plastic' was shown to the students to make them aware of the threat caused by polyethylene for the future generation. They enthusiastically participated in the campaign and presented each other paper bags.They took action to save the ecosystem by saying 'NO TO PLASTIC.'
